MISSION

If this is the first time you have read this newspaper, "Welcome Aboard". You are now part of a very large family. Although we're talking to a few thousand people; we still like to think of each one of our readers as a member of the Community Information Service. Now that you are family, you might like to know a little more about our company. The idea of a The Talking Newspaper was no accident. From the beginning management determined to make God the Senior Member. In a crisis, the problem was turned over to Him, and He hasn't failed to help us with the answer. Each edition of the newspaper must reflect the integrity of the management. If sometimes we fail on our end, because we are human, we find it imperative to do our utmost to make it right.
